

Mitzvah of Dylan Shewitz: Sept. 5th 2009

Hi Spencer,

You were **AWSOME, BETTER THEN GREAT.....**Everyone commented on you.

I suppose the highest compliment, was when Roy and I went out in the middle of the party to talk to Patty the party planner. She said in all her years she had never seen kids so well behaved at this type of an event. She said that you were unbelievable, and was going to ask you to do some event that was coming up.

Dylan said that you **made his party**. He said that you were the man.....what A Hot Party!
The phone calls in to us were plentiful and everyone wanted to know who you were.....

Roy and I could not believe your energy, you did not stop. It was the most phenomenal party ...the room looked great and you were so professional.

Thank you ,,.,.,.,,thank you ,,.,.,,thank you!

and YES absolutely we will be in touch.....I wish we had more kids so that you could do the Bar-mitzvah's

With all our love and gratitude,
Roy and Terry Shewitz
