

Jared's Bar-Mitzvah – Feb. 21st 2009
Crown Plaza - Sawgrass

Attn: A Hot Mitzvah,

What a GREAT Time we had! Everyone needs to book A Hot Mitzvah!

You were very professional from the beginning, accepting our calls all the time & helping us understand exactly how our party would run. The casino games were a huge hit, and your dealers were very entertaining. The centerpieces looked so beautiful when we first walked into the room, Indy couldn't believe how nice they came out! Spencer, thank you for your commitment to our party, even while losing you voice, you still pulled off an incredible party. Our daughter said she can't wait to party with you again at her Quince'. ...so start working on *A Hot Quince!*

Thank you again,

Steve & Indy Feldman
