To Whomever This May Concern,

I first started to work with Spencer Kramer from, "A Hot Party.com", in September 2007. Spencer was the Master of Ceremonies, that the Floridian Ballroom in Pembroke Pines, recommended for my son's Bar-Mitzvah party on October 13th 2007.

From the beginning Spencer was very professional and a pleasure to work with, as we coordinated the details over the phone and emails.

I myself am a graduate of Florida International University, School of Hospitality Management, where we study, and practice these types of events. We had 125 guests 45 of them children ranging from ages 2 to 15 years old. We were also a mixed group of Americans and South Americans, also my son is not the most outgoing boy, so I was a little concerned about everybody mixing together. However, I say with all sincerity and honesty, that I could not have been more satisfied with the way the evening went. Everybody had a great time and the party was a great success. We received numerous calls and emails from guests, raving about how enjoyable the evening was, and how much fun their children had at the party.

Spencer showed true concern for us and our guest's enjoyment. He displayed confidence, personality, and talent. You can tell he truly loves what he is doing, and seems to be a natural at it. My Uncle, whose gift to my son was paying for the entire affair, is a very successful business man, and has himself organized and attended many types of affairs. He repeatedly mentioned to me that Spencer's great job with handling guests, was the single reason for our successful party.

It is with great pleasure and gratitude that I very highly recommend Spencer Kramer and the AHotParty.com DJ's.

Please feel free to contact me personally for anymore information.

Sincerely,
Mike Diamond
